THE INGOT

Foreword

The builders of our high school had the ideal location for its construction. There was a deep, cool river alongside, and a dark, majestic forest surrounding it—thus, the name River Forest High School.

Let's make use of that peaceful river that winds through the depths of nature and into the heart and soul of each Ingot. Floating gently on the top of the water is a boat,

the 1964 INGOT, Volume V. The yearbook staff has used this boat while they journeyed to the activities, games, clubs, and other pastimes of River Forest students. Now it's your turn to recall the enjoyable times, friends, teachers, and other acquaintances you've made throughout your years at River Forest High School.

Along this trip we will smile as certain things are refreshed in our minds. Those events are now memories—never to be lost or stolen, but to remain forever and cherished in our minds and hearts. Our four years in school with our friends have brought each of us times of joy, happiness, and sadness in leaving.

These are ingredients of a life-time of memories, never to be forgotten as long as the '64 INGOT is in our house to be enjoyed in the years to come.

As for now, let's hop aboard, settle back, and prepare ourselves for an enjoyable "Cruise Down the River of Memories."

Vital Parts of RF Mechanism

Mrs. Bailey is the Director of Pupil Personnel and Guidance Services. She aids Seniors in selecting and entering a college. Mrs. Bailey also helps to initiate student scholarships. She assists boys in choosing a branch of the armed services that will provide training in their desired vocational field. Mrs. Bailey also assists students who are in need of employment, internships, and exploratory placement. In order to help students, she works very closely with industry, business, colleges, and trade schools.

Mr. Sterling is in charge of the Junior records. He schedules classes for all students enrolled at River Forest. Mr. Sterling is in charge of schedule changes, enrollment of new students, and he also handles student withdrawals.

Mr. Bromberg is the Dean of Students. He is in charge of the Freshman and Sophomore records. Mr. Bromberg takes care of absentee reports and he handles the discipline of the students. The Dean also is in charge of the Health Office. He also aids in making sure that all students are meeting their curriculum requirements.

As school treasurer, Mrs. Eleanor Kekelik, regulates the steady flow of money in and out of the main office, writing out receipts for all transactions aboard this ship.

Mrs. George Semerau (below) assists Mrs. Bailey as guidance department secretary, keeping all her records in ship-shape order.

Smooth Sailing With These Crew Members

Miss Carole Dzuibla serves as assistant on the library deck. She is responsible for having all library material on hand for adventuresome students.

Being secretary to Mr. Weiss is a busy undertaking. Mrs. Doris Bartz (left) answers phone calls and takes care of all school correspondence.

They Keep Our Ship Afloat

BUS DRIVERS

Pictured left to right are: Mrs. Irene Kaszmarek, Mr. Elmer Hamann, Mr. Ralph Julian, Mr. Dick Julian, Mr. Dick Webster, Mr. Charles Layhew, Mrs. Ann Kaszmarek, Mr. Eugene Hollingsworth, Mr. George Bobby, and Mr. Jay Henson.

Just as the ship carries precious cargo from port to port, the RF bus drivers also carry a precious cargo. A great responsibility goes along with the transportation of the students of RF.

CUSTODIANS

Pictured here are the people responsible for the clean and fresh appearance of RF. They are from left to right: Mrs. Grace Heil, Mr. Richard Baker, Mrs. Olive Johnson, and Mrs. Ines Sheppard.

Just as a ship must retain a good appearance, we find our custodians following the same standard. These are the people responsible for our general appearance as seen by our many visitors.

CAFETERIA STAFF

Just as the crew of a ship must be of a healthy nature to keep the operations in constant movement, the students of RF must have the good health needed in producing fine Ingots as the citizens of tomorrow.

Pictured here are the people responsible for our meals while at school. They are from left to right: Mrs. Mildred Matheny, Mrs. Oyjdal Isakson, Mrs. Irene Harper, Mrs. Frankie Magnuson, Mrs. Dorothy Garland, and Mrs. Jo Cauley.

RIVER FOREST STUDENT COUNCIL REPRESENTATIVES

Up and down, first vertical row: Danny Evanoff, Bonita Arney, Dana Pritchett, Nadine Humphrey. Second row: Alice Allen, Ricky Harris, Franon Jean Daves, Phil Zoladz. Third row: Bruce Jansen, Dave Addison, Cynthia Wolny, Ron Chapman, Dick Life. Fourth row: Joanne Sichtermann, Bonnie Wright, Marie Kowalski, Millie Arocho. Fifth row: Dennis Stillely, Anne Blakeley, Karen Lute, Pat Neill, Max Tabla. Sixth row: Mike Mullee, Linda Dembosky, Jackie Rogers, Mr. La Bounty, Sponsor.

The above people are the representatives of River Forest High School. There are members of every class and one from each homeroom in the high school. These are the people who have a very close connection with the way our school is operated. Student ideas and opinions are voiced through Student Council. School policies, traditions, needs, and wants are discussed, and sometimes changed. This year Student Council has done much to help the school, through the Christmas canned goods drive, contributions to retarded children's homes, and the annual River Forest Charity Week. Student Council activities have done much to raise the standards and increase community approval of River Forest High School.

Honor Society

Shown in this picture are left to right: Martha Targgart, Margie O'Connell, Joanne Sichtermann, Karen Clapp, Wayne Semerau, Mr. James Kristoff, SPONSOR, Karen Lute, Linda Dembosky, Linda Mummery, and Frances Daves.

The most important and rewarding organization at River Forest is the National Honor Society. Membership is based on Character, Leadership, Service and Scholarship and is permitted only to those students who qualify.

Honor Society is mainly a service club and does a project annually to better the school or community.

An assembly is given at the

end of each year to induct the new members. At this program each new member receives a membership card and pin after reciting the Honor Society's pledge.

Each person belonging to this organization will agree that it is indeed a great honor and privilege to obtain membership in River Forest's chapter of the National Honor Society.

The Melting Pot Staff begins to train its writers early. This year students were offered a beginning class in journalism and an advanced class.

Publication was increased by the school's purchase of an offset printing press.

The entire department including the newest addition, the Reflector literary magazine, joined forces to co-sponsor the first Awards Banquet. Enterprising journalists have already begun to make plans for the new school year.

Heading the operation of the Melting Pot was Sue Condon, News Editor; Harry Reynolds, Production Manager; Ron Joyner, Art Editor; and Linda Dembosky, Executive Editor.

Shown in this picture is Linda Dembosky, Executive Editor of River Forest's newspaper, the Melting Pot.

Literary Magazine

River Forest published its first literary magazine, "The Reflector," this year. It was received with great success by the students. The magazine was produced by Debbie Pero, appointed editor, and a staff of interested Juniors, under the supervision of their English teacher, Miss Arlene Miller.

Entries were submitted by students of all the Hobart Township schools. First places and honorable mentions were awarded in elementary, junior high, and high school divisions.

Pictured at the left is a group of staff members working on the magazine. They are (l to r) Martha Taggart, Pat Neil, Debbie Pero, Dan Olkoski, and Jackie Rogers.

The River Forest Chess Club has risen from near abandonment to one of the most publicized clubs in our school. Through Mr. Warner's skillful help they learn the techniques and patterns of the game of Chess. Plans are in the process for an inter-school tournament in which these boys will have a chance to show Mr. Warner what they have really learned. Mr. Warner also has high hopes of competing his club with the Chess Club of Merriville High School.

Mr. Warner is showing some of his club how the "pros" play. With Mr. Warner are: Dick Lile, Nick Stankovich, and Bill Colazzo.

One of the oldest and best-established clubs at River Forest High School is the Future Business Leaders of America. With the aid of Mrs. Laura Langley, sponsor, this organization trains students for a prosperous future in the business world. Special emphasis is placed on secretarial and office work.

As a project this year, the FBLA sponsored the annual Halloween Dance held in the high school cafeteria.

As a branch of the National FBLA, club members attend an annual convention. Here they display various projects they've worked on during the year.

The Lettermen also sponsored the Christmas dance, which was held in the Jr. High multi-purpose room. The title of the dance was, "The Night Before, the Night Before, the Night Before Christmas."

This year the lettermen acted as ushers at all home basketball games and handed out programs at football games held on our home field.

The Lettermen's Club had planned taking a field trip to an athletic contest in the area for an extra event during the year.

The officers of the club are: President, Ronnie Lee; Vice-President, Phil Zoladz; Secretary, Terry Radovich; Treasurer, Harry Reynolds; Reporter-Historian, Lonnie Choate; Sergeant-at-Arms, John Kelly; and Club Sponsor, Mr. Bill Logan.

The Girls' Athletic Association, better known to Ingot gals as the GAA, stimulates good sportsmanship through athletic endeavor. By participating with the state organization, the local GAA unites in forming bonds of friendship throughout the state. Our club has participated in local sports days, district clinics, and state camps. The GAA has completed its second year under the state-wide point system.

Many activities are on the GAA's roster. Seasonal sports including soccer, basketball, softball, badminton, apparatus, archery, volleyball, table tennis, and bowling, round out the club's yearly schedule of regular sports.

This program awards merit points to the participants of GAA activities. Merit points are also awarded for those activities which are not sponsored on class time. These activities include ice skating, roller skating, horseback riding, bowling, table tennis, and hiking.

Skill tests measure personal accomplishment in athletic achievement. Written tests measure the athlete's comprehension of the mechanics

of the individual sports.

Club membership is not a necessity for those interested in participating in the various sports. Merit points, however, are only awarded to those who have become members.

Miss Vannorsdall is shown explaining to some of the girls the rules and regulations of the organization.

CHORALIERS

The Choraliers are a group of specially chosen girls. Not all girls in the Concert Choir are automatically put into this organization. The membership of the Choraliers is entirely up to Mr. Rex Brown, the sponsor.

Each year the Choraliers participate in a State Vocal Ensemble contest held at Lew Wallace High School.

This year the girls' group captured a first place rating for their rendition of "Rain." This is the first such Choral award won by our school.

DANCE BAND

The Dance Band is composed of Concert Band members entirely. This organization participates at an annual Solo and Ensemble contest held at Portage High School. This year the Dance Band received a Second Place rating. The two numbers the Dance Band played this year were, "Star Dust" and "A String of Pearls."

The Dance Band also has a performance in the planning stage to be given in conjunction with the High School Concert Band.

Russian Club Members Sail on the Sea of Adventurous Learning

Any voyage can be a pleasure. The Russian Club proves that the learning of a language does not complete one's knowledge of a culture. By seeing the Russian way of life through its authors, people, and its cultural exchange activities, these students hope to broaden their understanding.

The club's program of activities this year has

included a joint session with the International Relations Club. At this meeting the Russian Club sponsor, Gene Adamczyk, showed slides of his Russian tour.

Club members travel on the sea of learning as they explore the Russian language and the Russian culture.

Journalism Club

The Journalism Club is composed of boys and girls who are engaged in a tremendous news-gathering task.

The purpose of this club is to enlighten and produce new, eager journalists. These journalists are involved with the school newspaper, *The Melting Pot*; the literary magazine, *the Reflector*; and the school yearbook, *the INGOT*.

The tasks of most journalists in this club are tense, sometimes exciting, but more often made up of long hours of hard physical and mental labor.

The journalism club also sponsors the Journalism Banquet where awards are presented to outstanding school journalists.

This is a set-up picture of the journalism club in the journalism work room. Pictured in the first row are, L. to R.: Linda Zromkoski, Betty Waichulis, Carol Zoladz. Second row, L. to R.: Jackie Rogers, Martha Targart. Third row, L. to R.: Karen Lute, Karen Clapp, Vera Kovacevic, Marge O'Connell, Char Coleman. Back row, L. to R.: Alice Allen, Sue Condon, Carol O'Connor, Ron Lee, Pat Neil, N. Kralik, Terry Radovich, Michele Maddock, Phil Peters.

Debate Club

The debate club's purpose is to acquaint students to present their ideas clearly. Their debates are a series of formal spoken arguments for and against a definite proposal.

The debaters on each team must select the arguments and evidence of their opponents which they believe can be successfully attacked. Then they must prepare their own arguments and their own evidence which will make up the attack.

The debate club also holds an all-school-debate which involves the freshman, sophomore, junior, and senior classes.

Pictured above are the members of the debate club. Left to right: Mr. Grenert, sponsor; Phil Peters, Harold Fugate, Nick Stankovich, Linda Dembosky, Jackie Trump, Debbie Pero.

Navigators of the Future

Science Club

River Forest's Science Club is one of the many clubs which strive to interest students in the various fields. Science has proven itself to be an interesting and enjoyable pastime for many of our students. The Science Club provides the opportunity for Ingots to explore the world of nature.

Shown in the picture are, left to right: Mike McLain, Nick Stankovich, Bob McKnight, Larry Morgan, Joe Ranke, Margie O'Connell, Judy Chudoziki, and Mr. Henry Greischar, sponsor.

Ingot

River Forest's artists are a fine example of the many students capable of expressing themselves in a constructive way.

The club's main project this year is the designing and painting of pictures to be displayed in an art exhibit.

Shown in the picture, left to right are: Debbie Ewing, John Goff, Phyllis Welton, Glenn Maxwell, Sonja Stangebye, Nickie Sichteremann, Sherman Riggers. In the background are: Mr. Anthony Koss, sponsor; and Ron Joyner.

Artists

Showing off some of their creativity in painting are, left to right: John Goff, Sonja Stangebye, Mr. Anthony Koss, art instructor; and Ron Joyner. The Art Club has just recently been established as an organization at River Forest. We take great pride in the workmanship of our student artists and try to give them the best of aid in their future vocation. Mr. Koss has been a true asset in the production of fine Ingot artists.

The Youth for Christ Club is an inter-denominational group of Christians. The club has a "quiz team;" they take trips, and go to rallies.

Occasionally the club is host to a speaker who talks on various topics during the allotted club schedule time.

Included on the YFC's agenda are trips to other schools and district areas for contests on religious quotations from the Bible. River Forest has reason to be proud of its notable club, the YFC.

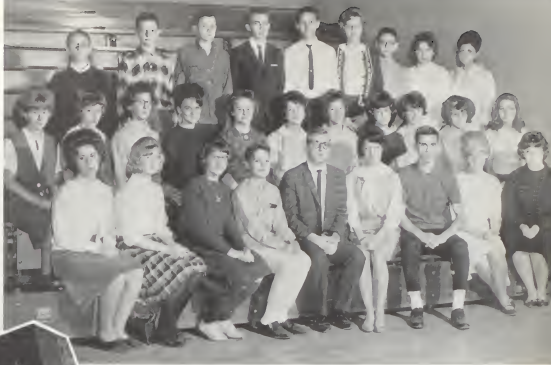

The members of the Y.F.C. are listening to a speaker give a talk on "Know Your Match." This is a frequent scene that can be viewed at many of YFC's club meetings.

Dramatics Club

Once again River Forest High School is able to present THE MASKS, a drama club.

The club produces plays for the enjoyment of the student body and the Hobart Twp. community.

The newly organized club is under the direction of Mr. Tom Hontz. The primary purpose of the club is to promote good speech and develop poise.

River Forest takes great pride in its concert choir, which is under the direction of Mr. Rex L. Brown. Some of the high points in the choir's agenda are Thanksgiving, Christmas, and Easter assemblies; seasonal evening programs; and Baccalaureate. The choir travels to many schools to participate in the various scheduled programs.

Selling candy is their chief project each year. The money raised is used for purchasing new

robes, or in this year's case, the beautiful Brass Choir, first used at the Thanksgiving assembly.

The choir is certainly a chief means of entertainment while on this "Cruise Down the River of Memories."

Among the wide musical selections are included folk songs, jazz, popular music, classical, religious pieces, and songs pertaining to the various seasons of the year.

RF's Bell Choir

Shown in the picture are the distinguished members of the Bell Choir. They are, left to right: Jessie Warren, Phil Peters, John Mitchell, Buddy Ramsey, Ron Potrebic, Wayne Semerau, Lanny Whyte, Max Tabla, Nadine Humphrey.

The Hand Bell Ringers' Club is one of our school's youngest organizations. It is under the supervision of Mr. Rex L. Brown. This club is the only one of its kind in this area. As far as it is known, it is also the only Bell Choir in a high school in all the United States.

The Bell Ringers have participated in school assemblies, choral concerts and in concerts outside of school.

River Forest takes great pride in its first Bell Choir and is very well satisfied with its progress. We also see a great future for its existence.

These instruments are finely constructed and precision-tuned brass bells. The bells are very sensitive, therefore gloves must be worn while the bells are being handled.

Shown in the picture above are some of the hand bell ringers at one of their rehearsals. They are (l. to r.): B. Ramsey, R. Potrebic, S. Kopecy, Mr. Brown, M. Tabla, N. Humphrey, and J. Warren.

GYMNASTICS CLUB

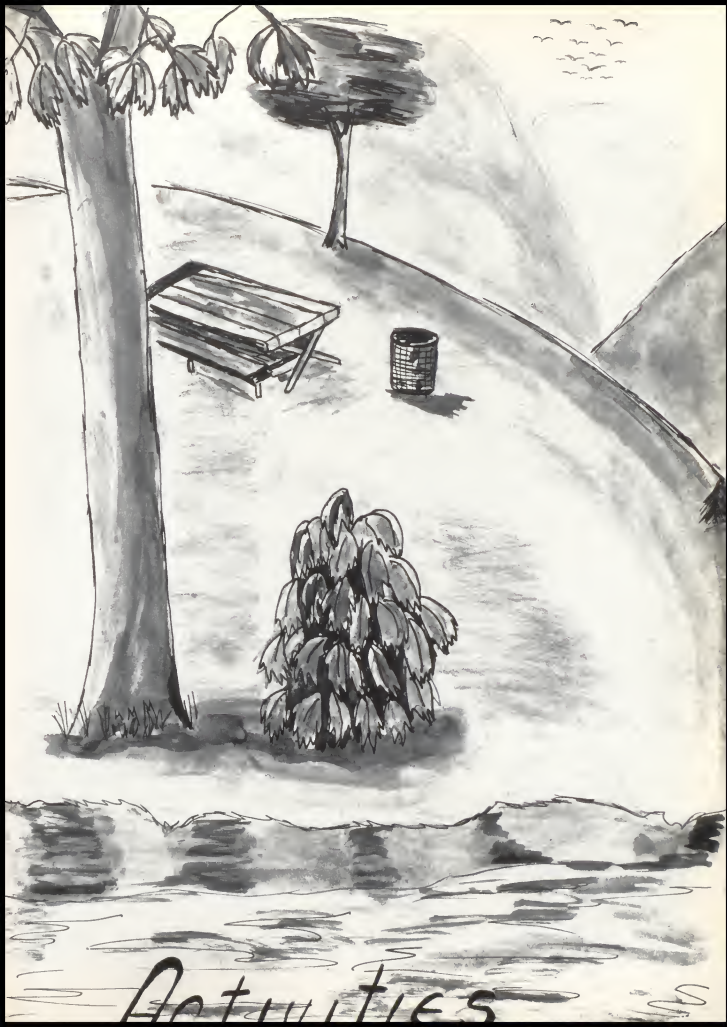

The members of the Gymnastics Club are shown above. They are, left to right, bottom row: Darryll Lancaster, Glen Maxwell, George Gordon. Top row, left to right: Mr. Bill Logan, Sponsor; Marcus Rodriguez, and Joe Longhoffer.

The purpose of the gymnastics club is to teach the members how to use the various equipment used in gymnastics, and to teach them safety on this equipment. This club plans to cover all the areas of gymnastics this year. Gymnastics contribute to agility, flexibility, coordination, and balance. A general improvement in posture also can be derived from this type of activity. Gymnastics also develops these mental qualities: alertness, daring, and precision. The Gymnastics club plans to work on apparatus and other equipment.

As can be seen, RF guys have a great deal of fun and enjoyment in this club. From the bouncy trampoline to the muscle-building parallel bars, the boys practice till perfect.

In this picture the club members are shown using the various equipment to help tone all body muscles and to keep in good physical condition.

Activities

Queen of Memories

The 5th Annual Homecoming affairs honored Her Majesty, Miss Connie Lilly, as Homecoming Queen of 1963.

Miss Mary Hill and Queen Connie Lilly were the two beautiful candidates who represented the Senior Class.

Max Tabla, a representative of the Student Council, presented Queen Connie with her royal bouquet of roses.

The hectic excitement of Homecoming week started off with the nomination of girls to represent their class in the penny-a-vote election for Queen.

This year was the first year in which the Student Council and the Y.F.C. club were in the running for the Homecoming float prize. Football players, Cheerleaders, and Ingot fans made this all-important game known to all by the landslide of posters that were put up in the halls during the week.

Tenseness of the coming day's important game could be felt at the Homecoming celebrations that started with a bonfire on Thursday night.

The climax arrived and the student body went all-out to make our last period pep session a success. The Homecoming game against Culver Military Academy was followed by a dance in the High School Cafeteria.

Our Queen makes a quick stop at her locker during the hectic 5 minute breaks.

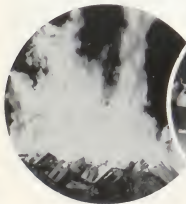

These pretty girls represented their classes in the Homecoming activities: *left to right:* Judy Tabla, Freshman; Carol Davis, Sophomore; Connie Lilly, Senior; Mary Hill, Senior; Betty Riley, Junior; Terri Jo Osborne, Junior.

The Homecoming bonfire in a blaze of glory and the cheering crowd represent the excitement of this traditional week. The bonfire took place the day before Homecoming and began with a speech from the Student Council president, Dick Lile. The football co-captains also gave a pep talk.

The giant "One Blow To Victory" Ingot Kleenex box represented the good craftsmanship of the Senior Class.

This giant tape recorder finely represented the hard work of the Sophomore Class.

The Junior Class made Homecoming history by being the first class to

win first place in the float competition for 2 years.

The Y.F.C. Club float was the first club float ever to be entered into competition for the best float.

For the first time in Homecoming history the Student Council was represented in our float competition.

October 19 was near, and this meant one thing to the Senior and Junior girls in B.U.A.G.—Powder Puff Football. Many weeks before this date girls were seen running everywhere and anywhere. They were calling signals, throwing passes, doing exercises, running scrimmage plays, and getting a good workout altogether. All this was done under the supervision of the Varsity football players.

Finally the big night came! The Junior girls started to run, and it seemed as though nothing could stop them. The Seniors lost to the Juniors by a score of 12-6.

All the weeks of practice, and the game will never be forgotten in the minds of these girls.

These beauties have something to be proud of, their Junior girls. The little dolls are: D. Olkoski, R. Hansen, M. Tabla, A. Chaja, and D. McDougall.

Ingots Dance Up a Storm

With the beginning of the basketball season comes a rush of after-game dances. Although there is the usual amount of on-lookers lining the walls, many get out on the floor and dance.

Pictured here is a more cozy scene, taken during the annual Lettermen's Dance. The affair is sponsored each year by the Lettermen's Club.

Like the steady flow of a stream, a long line of dancers pace the floor in unison to the rhythm of the music at an after-game dance.

Here is a monument to the institution of after-game dances—the line-up of shoes. Their owners were dancing in the gym at the time.

In this picture from left to right are: Linda Mummary, Sgt. Hattie Futch, (WMCS), Linda Zramkoski, and Carol Zoladz.

The representative from the Army, Sgt. Dickerson, is pictured below speaking with some of the junior and senior boys.

Armed F

River Forest held the fourth annual Armed Forces Day on February 12, 1964, under the supervision of Mrs. Wanita Bailey.

A general assembly was held for all branches of the services to speak at 1:10 with the boys on the west side and to the girls on the east side of the gym. These meetings were held to inform the juniors and seniors of the opportunities in all branches of the Armed Forces.

After a forty-five minute meeting, the boys went to two meetings of their choice. There were two meetings for the girls but due to circumstances beyond control these meetings were cancelled.

In this picture, Linda Mummary and Dick Lile are meeting (from l. to r.) Sherman Shafer, of the Sea Bees; Sgt. Dickerson, Army; W. K. Smith, of the Navy; and W. Wendling, of the Coast Guard.

S/Sgt. A. L. Davis is pictured across speaking to Lanny Whyte and Paul Smith about the Air Force.

In this picture, S/Sgt. A. L. Davis is shown speaking to John Kelly, Jim George, Harry Reynolds, and Bob Topper.

College Night Programs

The panel answered questions concerning such things as enrollment, campus life, finances, methods of study, and other important questions asked by college-bound students.

The Honor Society and River Forest faculty assisted representatives of the fourteen colleges that were represented that evening for the annual College Night program.

The college representatives were: Mr. Duncan Murdoch, Rose Polly; Mr. Charles Abbott, Ball State; Mr. Robert Wainscott and Mr. Gerald Mortz, Butler University; Mr. Bob Smith, Evansville; Mr. John LaBounty, Wabash; Mr. Paul Bowman, Manchester; Mr. Robert Jerry, Indiana State; Sister Angelita, Saint Francis; Mr. Don Fleener, Indiana Central; Mr. Marshall Tackett, Purdue; Mr. Robert Phillips, Valparaiso Tech; Mr. Don Brineman, Indiana University; Mr. Glenn Ocock, Valparaiso University; and Mr. John Chapple, Franklin.

Mr. Don Brineman, from Indiana University, is giving a group of students more information about the school he is representing.

Mr. Duncan Murdoch, representing Rose Polly, answers questions of these college-bound Juniors and Seniors: Dave Bell, Joe Ranke, Paul Smith, Wayne Semerau and Tim Reed.

Refreshments were served in the cafeteria after the College Night program.

Hoosier Boys' State

These three boys enjoyed a week of vigorous activities on the Indiana University Campus while at Boys' State. Each boy attended classes daily. The classes varied in nature, so each boy could attend the one he desired.

The main function at Boys' State was the political activities. Classes were also held to teach boys the duties and everyday jobs of public officials in Government. The climax of the week was the election of Governor and other top state officials at Boys' State. The Governor and Lieutenant Governor were to attend Boys' Nation in the latter part of July.

The boys shown in the picture to the left are, (L to R), Ronnie Lee, Tim Reed, and Dick Lile.

The alternates to Boys' State are shown at the bottom; they are, (L to R), Bob Topper, Ray Magnuson, and Bob Duncan.

Hoosier Girls' State

Hoosier Girls' State is a mythical state formed by girls who have finished their junior year in high school. They come together from every part of Indiana and at Indiana Univ. campus, are given the opportunity to live together as self-governing citizens. They learn the duties, privileges, rights and responsibilities of American citizenship. They also gain practical knowledge of the functioning of their government and so are better prepared to be future intelligent voters and office holders.

These four girls spent a long-remembered and rewarding week of learning and happy friendships.

The Girl All Stars from the GAA challenged the women faculty to the Second Annual Basketball Game on February fourth. The All Star girls were defeated in a close contest in which the faculty pivoted their offensive attack around the abilities of Miss Sawyer, their high scorer.

Highlighting the G.A.A. squad included such greats as Karen Clapp and Charlotte Shakula on defense. Sharpshooters of the G.A.A. squad included: Phyllis Holder, Carole O'Connor, Jackie Rogers, Louise Ozlislo, and Judy Soria. The captain for the team was Martha Targgart.

As the final gun sounded, the G.A.A. was on the small end of a 37-33 score.

The Ingots of River Forest had a tough-luck season this year, with a 0-10 record. River Forest opened with Portage, which proved to be a close game. The score was 13-7, Portage. Lonnie Minarich scored the lone Ingot touchdown on a 28 jaunt—off of right tackle. He plunged for the extra point. In the second week of the campaign, a strong New Carlisle team gained a win over our Ingots. It was New Carlisle's homecoming contest, and they wanted revenge from last year's loss, 12-0.

The Tigers scored on pass plays twice, but could not run against the Ingot line. The next game, after being of so high spirits, the Ingots lost to the strongest Walkerton team ever, 7-6. After the third week of turmoil, a 12th-ranked Gary Froebel team (at that time) entered the R.F. campus and ran over our boys. The final score was 25-6. Robert Eskew, leading ground gainer of the Gary schools, was concentrated

on and stopped almost completely. But the fullback, Bob Smith picked up the slack and scored three times. Joe Castellanos should have a bit of praise that night, as he did a fine job running the pigskin for the Ingots. The lone T.D. came in the 2nd period by Lonnie Minarich.

Culver M.A. and homecoming was next to appear on the scene in strong force by beating the Ingots 24-0. A story on the game is on a later page.

A very strong Hammond Tech team traveled to our fine community and beat our team 33-0. At this time Tech was ranked 12th in the state. The following Friday proved to be an interesting one when Hammond Gavit played R.F. The game was strictly defense the whole first half. In the second half Gavit scored twice, compared to the Ingots' loner by Lonnie Minarich. The Ingots came terribly close on a few occasions but penalties and an alert defense helped Gavit.

The annual parents' night game was the following Friday and the Ingots were pitted against their arch rivals, East Gary. The Eagles slid by the Ingots 13-7. The Ingots' T.D. came when Dick Lile plunged on a loose fumble in the end zone. Lonnie Minarich got the P.A.T. In the last week of the season the gridders took to the road and made way to Chesterton. The night was cold and damp, but it did not dampen the Trojan's scoring. The score was 25-7. Fred Lee threw a 30 yard pass to Dick Lile for the Ingot touchdown. Curt Remus place-kicked. The first half our boys held Chesterton to only two points. The Ingots were hitting extremely hard on defense, the strong point of the team all year.

The finale of the year was played against an extra strong Gary Andrean team (ranked 8th at one time) at Gilroy Stadium. Although the Ingots tried desperately, they failed for the final time by losing 54-0.

R.F. vs. Andean (Left-Right)

Phil Zoladz, Dick Lile, Dave Gawor. (One of the many gang tackles of the season.)

The game against Andean was the worst for River Forest of the season, 54-0. Although they tried hard, the Ingots just could not seem to match the skill of the fighting 59'ers. Jim Hysong became the top scorer for the city of Gary during this game.

R.F. vs. Chesterton

Bill Swisher, Unidentified, Lonnie Minarich, Phil Zoladz. (Ingots in hot pursuit of a Trojan back.)

The Ingots fought a long, hard battle against Chesterton, but lost, 25-7. This was the 9th straight defeat of the year for River Forest, but the boys' determination to win was as high as ever.

R.F. vs. Andean

Dave Garrigues, Dick Lile, Curt Remus, Terry Radovich, Lonnie Minarich, Jim George, unidentified player on the ground, Doug Riffle. (Lonnie Minarich is seen bringing down an Andean back in the rugged contest.)

(Terry Radovich is seen making the stop for the Ingots after George slowed the carrier up with the help of Minarich.)

The gridders, coaches, and the student body of River Forest had high-flying hopes the night of October 4, which was the annual Homecoming night. However, the Eagles of Culver Military Academy had a few different ideas and flew over our hopes and our team. The final score was 24-0, Culver. Culver had a halftime lead of 12-0, by scoring twice in the second quarter. One of the scores was made by Chris Hinkle, 200 pound fullback, whose father is coach of Butler University. At the beginning of the second half, Culver again scored twice. One of the scores came on a finely executed pass play, covering 80 yards. The play was, in the estimation of the yearbook, the most spectacular play at River Forest this year. It was a double pass, being from quarterback to fullback to end, and the end product was 6 points.

River Forest's defense was very stout, indeed, in the first and fourth quarters. But the Ingot gridders could not get their offense into high gear, as they only penetrated to Culver's 29 yard line. This loss was the fifth straight defeat that the Ingots suffered, but still the boys showed a few good points, especially defense. The underclassmen, who played most of the second half did a good job also. Fred Lee, did a commendable job as quarterback, being only a Sophomore.

Bob Sul, Dick Lile, Dave Bell, and Joe Castellanos (with ball), are pictured during a tense moment of the game.

River Forest participated in the annual Hobart Invationals on October 3. The Ingot team represented their school well in this event as they have done in previous years. Pete Johns placed 48th out of a total of 23 schools. Here is a picture of the teams as they were ready to cross the finish line.

Pictured here is Jerry Wilson as he catches his breath after the Hobart Sectionals meet. Shown in the picture are 3 members who also ran in the event with Jerry. The record-breaking harrier, Pete Johns, didn't finish the race placing the Ingots on the bottom of the meet.

Cross Country

River Forest harriers compiled a 5-7 season, and also raced to the 23rd slot at the Hobart Invationals. This season's team will return next year with the exception of two seniors, Bob Duncan and Larry Frain. Leading the Ingots was the running of junior, Pete Johns, who, during the last meet, set a new school record of 9:56 over the Gleason Park course against the Portage Indians. The letter winners of this season were as follows: Pete Johns, junior; Art Davis, junior; Bob Duncan, senior; Larry Frain, senior; Bob Rogula, sophomore and Jerry Wilson, freshman.

Here is Bob Duncan as he finished the course run in the sectional meet held at Cressmore Country Club.

Left to right: Harry Reynolds, Nick Demo, Paul Milchak, John Kelly, Bob Topper, Jerry Erny, Coach Newton, Dewy Lemley, Mike Pritchett, Paul Wengel, Dick Lile, Wayne Semerau, Jim Phillips.

The Ingot five opened its 1963-64 campaign with an illustrious win over the East Gary crew. The score was 66-58. The game was highlighted by Bob Topper hitting 18 straight free throws.

The cagers next win came at the expense of the Hobart Brickies. This was the first time an Ingot team ever downed a Hobart team in a major sport. The score was 70-58, with Bob Topper and Dewy Lemley contributing 29 and 19 points respectively.

The third win came at the expense of Boone Grove. The game was the 6th of the year, which put the Ingots at 3-3. The whole second half was all River Forest's as they poured in basket after basket. Bob Topper had 26 points in a stellar performance.

The next win came in the Andread Holiday Tourney as the cagers defeated the Dyer Indians in the consolation contest. The score was 71-39. All eleven Ingot varsity men saw much action, and all scored. Dick Lile was high with 12 points.

Yet to win a game on their own floor, the Ingots beat Rolling Prairie for the first time in their 4-year series. This was the initial home victory of the year.

The next victory happened to be at home too, the losers being Culver M.A. Bob Topper had 22 points followed by Dick Lile with 18.

The victory over Fair Oaks was at home also, and it was a very decisive win. Bob Topper had 21 points to lead both teams. Dick Lile, standing at 5'11" had the most Ingot rebounds and did a fine job on the fast break of the Ingots. 18 players dressed for the game, and all saw considerable action.

The Ingots won again on February 8, against the Blackhawks from Westville. The clutch basket, which gave the cagers their three point margin, came with just 10 seconds to go as Mike Pritchett canned a three footer. The final score was 60-57. This was only Westville's fourth loss of the long campaign.

Bob Topper had 20 points to lead all scorers. He was closely followed by his teammate Dick Lile with 19. Probably one of the biggest wins of the year came when the Ingots beat the Andread 59'ers, 87-69. This reversed the score of the Andread tourney almost as then they had downed our boys by almost 20 points.

Dick Lile and Bob Topper had 29 and 28 points respectively. The Ingots broke the game wide open in the fourth quarter as they scored 34 points.

Bob Topper highlighted the season with a 23-point average followed by Dick Lile with a 15-point average. Nick Demo led all rebounders in the total.

J. V. Team

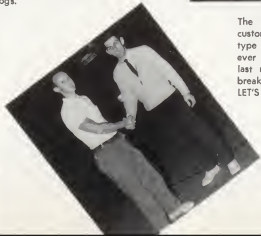

Top row, left to right: Coach Logan, Danny Mutters, Dan Villigran, John Parks, Steve Disney, Ken Nowak, Dave Addison. Bottom row: Bill Carter, Dave Life, Jerry Vanderplough, John Rugula, Gene Montes, Fred Lee.

Coach John Newton and Coach Bill Logan are seen congratulating each other after a double victory at the expense of the Rolling Prairie Bulldogs.

Nick Demo, Dick Life, and Bob Topper preparing for the Andean home game. This is truly a candid shot.

The Ingots are pictured here in their customary huddle before the game. This type of huddle has been with the Ingots ever since Coach Newton has. With the last minute instructions over, the Ingots break out of the huddle with a 1-2-3—LET'S GO!!!

Frosh Cagers

Picture 1. Bottom row, l. to r.: S. Heideman, L. Hartley, J. Chapman. Top row: J. Null, J. Kochan, M. Orange, G. Gordon, and Mr. Robert Scobey, Coach.

Picture 2. Bottom row, l. to r.: D. Kallok, C. Powers, B. Ballogg, P. Peters. Top row: L. Barrasses, B. Clark, B. Ramsay, D. Stratton, E. Ailes, B. Burrell, and Coach Scobey.

The Frosh cagers had a rather poor year as far as the win-loss columns are concerned, but a lot of bright hopes can be seen. They ended their campaign with a 4-14 record.

The rhinies downed Boone Grove twice this year, the first score was 48-44, and the other was 43-35. Chatter Chapman collected 21 points in the first meeting and 9 in the second. James Kochan picked up 12 tallies the first time, playing only a half, and 16 in the other.

The other two wins came at Andrean's expense. The first meeting of the Ingots and 59'ers was in the Holiday Tourney and for a third place trophy. The score was 26-25. The next contest saw the Ingots dip along to a 46-41 win. In the first game Kochan was high with 9 points and in the second Chapman was high with 15.

James Kochan led the Ingots Frosh team with a 10.1 point average. He showed a fine scope of the game for only being a Freshman. Ronnie Hicks followed in point production.

J. V. Team

The J.V. had a 7-13 record in their campaign. The highest point production for the team was 63 in a losing cause against Hebron. One of the most exciting games of the year saw the Junior team capture a game from Westville in an overtime.

Jim Phillips and Ken Nowak led the Ingot scoring attack. Nowak also pulled down numerous rebounds to take a first in that department, too.

Bright things can be seen in the future years with strong teams like that coming up.

Cager Action

1. *Jump, Topper, Jump!* John Kelly, number 33, seems to be yelling at Bob to jump, jump, jump. The opposition in the picture is Larry Zek, of DeMotte. L to R.: Wayne Semerau, Kelly, Topper, and Dick Lille.

4. *What a Rebound!!!* John Kelly goes high into the air to grab a rebound from an East Gary Eagle. Great position is shown with Kelly (33) and Nick Demo.

5. *Bright Lights?* Number 44 acts as if he is gazing into the lights at the East Gary gym. Nick Demo (53) is grabbing a rebound as Wayne Semerau (31) looks on.

6. *Abra-Ca-Dabra.* Wayne Semerau (31) seems to be putting a curse on the ball as big Nick Demo pulls it down. Number 21 is Dick Lille and Dewey Lemley is 23.

2. *Hands Up!* John Kelly (33) tells a DeMotte player as he grabs a rebound from the Ingots. L. to R.: Dick Lille, Nick Demo, Kelly, and Mike Prithcett.

3. *T=Triangle.* This shows the ideal rebounding "triangle" that any coach will preach about all year. It also shows a good basket. L. to R.: Harry Reynolds, Nick Demo, and Bob Topper.

8. *STOP!!* This seems to be the words of the three Ingot defenders as a DeMotte player fires over the R.F. defense. L. to R.: Nick Demo, Dick Lille, and Bob Topper.

7. *Tough Little Forward.* Bob Topper (55) lets go with a 20-foot shot but missed. Luckily Mike Prithcett (51), playing forward, follows in on a tip. Harry Reynolds and John Kelly are close at hand.

Roundball Thrills

1. *Everybody Twist*—John Kelly (33) and Harry Reynolds box in a Fair Oaks rebounder as they seem to do the twist. Kelly looks as if he seems to be picking up the rhythm.

2. *Alla-Alla* — Mike Pritchett (35) seems to be saying a few magic syllables to get that ball in the basket. Dick Lile (21) and Nick Demo (53) look on.

3. *Rim Time*—Wayne Semerau (31) goes after a rebound in the Fair Oaks game at rim level. Wayne showed tremendous spring for the Ingots all year.

4. *A Bird or a Dick Lile?* It is hard to distinguish Lile (21) from a bird trying to take off in this picture. Nick Demo (53) and Wayne Semerau (31) watch on.

5. *R.F. Stomping Grounds* — Bob Topper (55) in the right background is doing a little stomping as Paul Milchak, Nick Demo (53), and Jim Phillips (45) get the ball.

6. *Time Out!* John Kelly (33) is high up in the atmosphere but seems to be calling time out as a Culver player gets the ball.

Tourney Time

The Ingots were stopped their first time out in the Andean Holiday Tourney by a strong Andean team, 79-60. The Ingots never led at any time throughout the contest. In the first game Michigan City downed Dyer Central. The River Forest-Andean contest came directly after. Earlier in the evening the J.V. crew lost to Andean also.

Andean showed a much stronger defense than the Ingots, holding Bob Topper's 28 point average to only

Ingots Tourney Team. Pictured left to right, Top row: Coach John Newton, Paul Wengel, Paul Milchak, John Kelly, Harry Reynolds, Nick Demo, Wayne Semerau, and Dick Lile.

Get That Ball! Nick Demo (53) leaps high into the air to get a tip in the tourney. Dewey Lemley (23) and Paul Milchak are close to help Nick, but he doesn't need help this time.

Big Harry, Little Dewey. Dewey Lemley and Harry Reynolds both take a rebound from the 59'ers as Dick Lile and Nick Demo watch on. Togetherness!

Are You a Lefty? This question could be asked to Bob Topper (55) as he grabs a rebound from over the head of four taller players. L to R.: Wayne Semerau, Nick Demo, and Topper.

Newton-Trophy-Topper. This picture was taken directly after the Ingots captured third place in the Holiday Tourney by beating Dyer. Coach Newton and captain Bob Topper are receiving the award.

Bottom row: Mike Pritchett, Bob Topper, Dewy Lemley, and Jerry Erny.

8. Dewy Lemley popped in 17 points, high for the losers. Dick Lile scored 12 points for the battered Ingots. River Forest hopes to make revenge for the loss on February 14, when they will meet the 59'ers.

The following night saw the Ingots roll on to a third place trophy by crushing Dyer, 72-39. The lop-sided score saw everyone get in the action for the winners. High for the Ingots was Dick Lile with 12 points followed by Bob Topper with 10. The Ingot bench did a fine job, playing over half the game and scoring almost half of the points.

Andean went on to capture its own tourney for the first time in the three year history by defeating Michigan City later that evening.

The Ingot J.V. team lost a close game to Andean in its battle for third.

Intramurals

Top row, left to right: Dennis Beasley, Lanny Whyte. Bottom row: Erny Lawrence, Joe Costellanos, Bob Duncan. Not shown: Terry Radovich.

This team had a perfect record this year in intramural basketball. They were led by Captain Joe Costellanos with a 18 point average.

Ingot Grapplers

THE 1964 RIVER FOREST HIGH SCHOOL WRESTLING TEAM

This year wrestling became a varsity sport at River Forest High School. Wrestling in varsity competition, our team felt the stress of stronger and more experienced opposition.

The record doesn't always show the progress made in a sport and wrestling was no exception to the rule. Our team gained valuable experience as a varsity unit, for only one grappler, Ron Lee, will not return next year. This will give great depth to the next year's team.

Captains for next year are Harold Fugate, Chuck Buehler and Steve Oslizlo. We feel that they will do a good job in representing their high school.

In sectional competition our team placed sixth out of seven teams, beating our arch rivals, the Eagles of East Gary High School. Some of the individuals who were mainly responsible for our fine showing in this meet were: Harold Fugate, third place in the 114 lb. weight class; D. Cauley,

fourth place in the 95 lb. weight class; D. Van Cleef, fourth place in the 103 lb. weight class; M. Rodriguez, fourth place in the 120 lb. weight class, and C. Buehler, fourth place in the 133 lb. weight class.

We are very proud of our wrestling team and congratulate them on the fine progress and stamina they have shown this year.

Pictured, left to right, are the Varsity Cheerleading Squad. They are Melina Nehring, Jr., Barbara Dwight, Jr., Leatta Hensen, Sr., and Millie Arocho, Sr.

This group of energetic girls are familiar sights at our Varsity football and basketball games. These girls represent the true Ingot Spirit many of the fans lack. They cheer the Varsity teams on, not only when they win, but always. They cheer for our boys simply because . . . they try.

Pictured are the Junior Varsity Cheerleaders. L. to R. they are Gail Cooper, So., Beverly Mast, So., Brenda Merodias, So., and Francine Prusinski, So., front.

These girls have made many sacrifices to cheer our Junior Varsity and Freshman teams on. Not many regular fans can be found following the J.V. or Freshman teams. But these girls are always there to show the boys that they are not entirely overshadowed by our Varsity boys. Someone recognizes them, even if at times it may seem as if only these few Cheerleaders are there.

V-I-C-T-O-R-Y

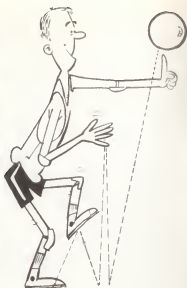

Pictured are the Freshman Cheerleaders. Bottom row, L. to R. are Ruthy Nance, Janis Gorby, Peggy Olkoski. Top row, L. to R.: Kathy Zalas, Judy Tabla, Shelly Disney.

Pep and enthusiasm have always been essential at all athletic contests and ours were no exception. Despite the many unfavorable results, our fans still came to back our team.

As shown in the picture at the bottom of the page, the football enthusiasts helped the cheerleaders give vocal support and encouragement to our athletes.

Shown above are the Football coaches. They are (L to R): Mr. Jim Ross, Mr. Al Bromberg, and Mr. Don Gear.

The basketball team gave more reason for vigorous participation on the part of the fans. In the picture to the left of center, the tenseness is shown in the faces of the crowd as a shot is lofted. As the ball reaches its destination in the picture to the right of center, the score goes up and so does a cheer from the crowd.

Farewell

RFHS

So ends the long journey we have taken cruising down Memory Lane. We have steered our four years at River Forest through channels of joy and happiness. Now we end that journey with sadness and fond memories. In years to come when we wish to recall our high school years we will again open The Ingot Volume V and embark on "a cruise down the River of Memories".
